To The Connecticut Sentencing Committee Members,

My name is Robert H Pratt, in 1992 at the age of 16 I made the biggest mistake of my life. Growing and coming to understand the true ramifications of my adolescent behavior and actions I am very ashamed of who I was. I am also very sorry and apologetic for the pain and suffering I have caused so many people. Not a day goes by that I don't ask and pray for forgiveness. I will carry the burdens of my actions for the rest of my life. I have made many strides in my life to try and better myself. I have acquired my GED, I have received college credits in Personal Finance, Creative Writing, and Public Speaking. Public Speaking is very dear to my heart; I would like nothing more than to be able to share my story with today's youth, as a job or in a voluntary capacity. I believe I have a story of mistakes and bad decisions that could help others choose a different path in life. I would love the opportunity for once in my life to be able to make a positive influence in society.

Thank you for your time and consideration.

Sincerely,

Robert H Pratt
